

## Warranty policy (Sample)

### For Commercial LED Lamps and fixtures

This document sets forth the warranty policy of the LEDRadiant organization ('LEDRadiant') from which you ('Purchaser') purchase your commercial LED Lamps .

This policy is applicable only to LEDRadiant ('Products') described in the Warranty Certificate extended to the Purchaser along with the correlated invoice or the Certificate in the website page for the product being questioned.

**This warranty policy is subject to the provisions as set forth herein and is subject to the terms and conditions as attached to this document ('Warranty Terms and Conditions') .**

This warranty policy only applies if referred to in a sales agreement between LEDRadiant and the Purchaser and it will replace the standard warranty clause provided in the LEDRadiant general terms and conditions of sale .

#### Warranty period

Warranty period might be different for different products, for the correct Certificate go to the specific product and look into the Additional Information tab, where the certificate can be downloaded/printed.

The warranty period starts on the date the products are delivered.

By default, Purchaser receives above mentioned 'standard warranty' .

On request, an 'extended warranty' or 'customized project warranty' can be agreed upon after evaluation of the specific application conditions.

Purchaser shall not rely upon any other information or documentation .

Within the warranty period, LEDRadiant will replace any defective bulb or fixture with equal working model in the same conditions or better.
